Action Lacking, However, in "Blackmail" Just Produced in Boston.

STAGE NEWS AND GOSSIP

American girl who is about to return to little of him. The audience makes his acquaintance in the next act. He is in acquaintance in the next act. He is in Harry Whitney, the Arctic explorer, his New York office with the Judge of the Supreme Court who is his associate in the North, is bound for Palm Beach the Supreme Court who is his associate in business, and to them come various clients, some of them to be plucked and after to-morrow with a party of seven-teen men, having left New York to-day.

They will make a short visit here, go comer or later of her father's profession and takes it so lightly, however, that of the Palm Beach season. she is perfectly willing to marry the highbrow young editor who exposes her es narrative than drama, in which it is notably weak, although there is much wit and character in the speeches.

ohn Craig has acted the play at his Castle Square Theatre. He has invited managers to come over from New York to inspect it, just as he did when "Common Clay" was presented there last year.
"The Woman Hunter." as it is called,
possesses only four important characters. The piece might be called a study in tem-peraments, since it is devoted to the dis-cussion of a woman of a cold and one of a demonstrative nature.

enough to bring about a visit to her rooms, where his wife finds him. Then whe departs, leaving the experienced lady of Washington Square in possession. So according to the moral of this play it is the wicked woman who is able to appeal more strongly to the moral of the work of the creditors, states that the executors appeal more strongly to the creditors, states that the executors Jackson Hines, who appears with adoubted signs of adaptability for his

new profession—or his additional profes-sion, since he does not propose to dis-continue his writings for the magazines —made a successful debut in "Sybil" at the Liberty Theatre on Monday night. To the astonishment of Mr. Hines's friends he was not heard to sing a note. the possession of a sonorous and well trained voice was always regarded as one of his chief qualifications The production of "Macbeth" made by

James K. Hackett in Boston last Mon-day night lasted from 8 o'clock until a quarter past 12. Most of the scenery was designed by Joseph Urban. The The legal expense will be immense, and this capense will have to be met with the money of the creditors remaining in the bands of the executors.

The ne came back here for six years, but ultimately returned to Austria to begin his career as an actor. He is the foremost German apeaking actor of the day and the leading member of the famous Hofburg in Vienna.

The legal expense will be immense, and this expense will have to be met with this capense will have to be met with the subscitute of the money of the creditors remaining in the bands of the executors.

"Even if the executors should win this second suit it cannot prove of the ported evergreens that decorate the porch. It is a good and representative example of this painter and loses whole brass choir together. The unations of Mr. Twachtman is a winter scene also and gives a suggestion of the veranda of Mr. Twachtman's home in Cos Cob, with the snow piled against the potted evergreens that decorate the porch. It is a good and representative example of this painter and loses whole brass choir together. The unations of Mr. Twachtman's home in Cos Cob, with the snow piled against the potted evergreens that decorate the porch.
